

INVESTMENTS IN ACTION

ARC research reveals significantly fewer primary care providers, medical specialists, and dentists in New York's Cortland and Chenango counties compared to other counties. **Innovative Readiness Training's** mission in 2019 in Appalachian New York involved **performing 21,281 medical procedures** (dental, optometry, veterinary, and other health services) valued at approximately **\$1.2 million and serving 3,608 patients.**

IMPACT ON DISTRESSED AREAS

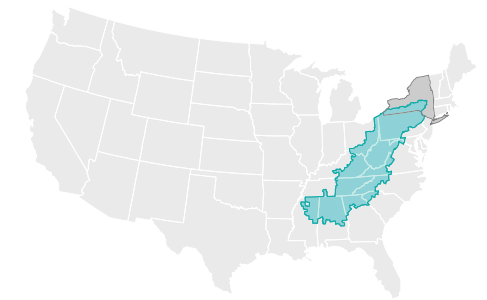

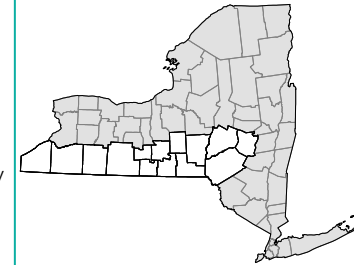

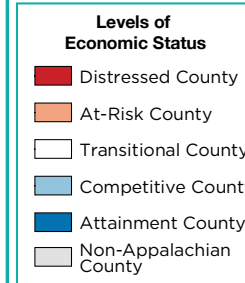

ARC provided \$150,000 to **Triple Cities Makerspace, Inc.** in Binghamton for a **workforce training program** with high-tech manufacturers that includes outreach to schools serving distressed census tracts to provide ready workforce training and STEM education opportunities for underserved communities.

FISCAL YEAR 2019
OCTOBER 1, 2018-SEPTEMBER 30, 2019

NEW YORK

In partnership with **New York State Department of State, Division of Local Government Services,** ARC is supporting **26 projects** in New York totaling almost **\$4 million** in fiscal year 2019. These investments have been matched by over **\$6 million.** They are also creating or retaining **22 jobs,** training and educating more than **1,500 students and workers,** and benefiting the **one million residents** in New York's **14 Appalachian counties.**
